design® for the people

nordlux®

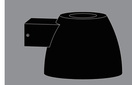
"Design For The People is a vision of creating cool design products at a price everyone can affford. Design with a Nordic twist intended for people all over the world".



BELL

designed by
Anders G. Ellegaard

Designed in Denmark

The driving idea behind Anders G. Ellegaards design is to challenge form and technology in conjunction with a strict minimalistic expression. This - in harmony with a sense of materiality and detail – creates his view on Scandinavian Design for the future.
