Product Description:

The OX-ON Winter Supreme 3602 is a very exclusive, extremely warm and comfortable winter mitten, e.g. for working with snow clearance, and generally when the weather is harsh. A 100% waterproof and windproof mitten with a 10 cm cuff that prevents snow from entering. Made of soft, supple goatskin for full freedom of movement. The upper hand is in gray softshell polyester material and the mitten is reinforced with gray neoprene. The result is a well-designed, comfortable mitten that can be used by both professionals and private individuals. The integrated 360 degree elastic band at the wrist helps give extra comfort and flexibility. Lined with 150 g Thinsulate, to ensure warm hands even under very extreme weather conditions. The OX-ON Winter Supreme 3602 is ideal for working in cold environments, and can be worn for skiing.
