EASY START

SYSTEM
NEXA

Mini plug-in for outdoor use with remote control adapted for the keychain. Controls, for example, engine heaters or garden lighting. The remote control can also be used to control other receivers in System Nexa. The system is self-learning, which provides a very simple and flexible installation and full compatibility with other products in System Nexa.

- Plug-in receiver On / Off
- Mini remote control included
- Smartmode
- Easy installation
- Range up to 30 meters
- Compatible with Nexa BridgeX and Nexa Smart Hub

* SMART MODE FUNCTION. With devices that support "Smart Mode", you can save up to 3 different favorite scenarios that are easily activated with a Nexa "Smart Mode" transmitter.
