

MLR-1923/SET

DOORBELL, PLUG-IN, SET

1 2 3

EASY START

SYSTEM
NEXA

Set with doorbell and push button.

In addition to functioning as a standard doorbell with a push button, the doorbell can also receive signals from a motion detector and magnetic contact or remote control if desired. There are 6 selectable signals so different transmitters can give different ringtones. The sound level can be set in 4 different levels; High - Medium - Low - Mute.

- Plug-in
- 32 memory slots
- Easy installation
- 6 selectable ringtones
- 4 sound levels
- Range up to 150 meters
